

Prompt: Write on a Cliché
By Linda DeMartinis

"Love is blind"

explains my boyfriend of years ago who was probably in the category of Weird Al Yankovic. But...

"You can't judge a book by its cover."

He was probably the kindest person I encountered.

After all "love is blind."

"You can't please everyone" and my

"Actions spoke louder than words."

When I decided to "Play it by ear" by being convinced by "People who live in glass houses"

There was someone better out there for me!!!

While believing "The grass is always greener on the other side of the fence" and "Curiosity killed the cat" or my relationship, in this instance.

"What a tangled web I wove" as I searched for love.

Only to find "Absence makes the heart grow fonder."

However, "I had burnt that bridge"

Only to realize....

"A good man is hard to find."
